It is hard to believe that we have made it through our whole TRY schedule after our return from COVID. It has been wonderful to see everybody. We are still hoping to get other past members back to participating in our activities. Speaking of activities, we ended the schedule with some fun times. The Prom was a ton of fun with lots of dancing, good food, and great friends. The Spring Festival was another great event. Read more about how the day went in the article. In June, there was a very special activity that was planned prior to COVID to celebrate TRY's 50th anniversary. That was quite the milestone for a small local non-profit to have accomplished. We spent the afternoon on the Gateway Clipper with lunch, music, and a whole lot of fun. Camp will be happening this year. We all look forward to it as Nicole has planned some great entertainment for us. Then, the day at Fun Fore All finishes out the summer activities. A great year had by all!!!

Lastly, we would like to mention that the TRY golf outing will be held on August 26th. This is a fund raiser for the organization, and **not a scheduled activity**. If you know of a foursome that would like to play, or if you have or have means to items to be used in our silent auction, please contact us at [tryspecialneeds@gmail.com](mailto:tryspecialneeds@gmail.com)

**Athletics Day:**

TRY Athletics Day first time Corn Hole tournament was a great success. The athletes and volunteers had a great time. We also had a Bocce court for the athletes who were not in competing on the Corn Hole courts. We had a great turnout of athletes and volunteers who participated in this event, we are looking forward to having more athletes participate next year. The popular game, Matt Ball will be back for next year's TRY Athletics Day. Have a great summer.

**Spring Prom!**

The Prom was on April 14th. Everyone looked beautiful! The night was full of fun with dancing and taking pictures at the photo booth. It was great to see everyone enjoying the festive night. Everyone went home with a special gift bag and cookies!

**Spring Festival:**

The Spring Festival took place on a cold, rainy Sunday, April 30<sup>th</sup>. The rain stopped just in time for the activities to begin! Everyone participated in the activities that included: bowling; hockey shoot; egg relay race; ladder bean bag toss; basket toss; cup knock down. Participants then played many rounds of BINGO where lots of prizes were given for the many winners. Everyone also went home with a treat bag. Thank you for all that helped make the event a success!

**Gateway Clipper:**

A great time was had by all on the Gateway Clipper. A big thank you to all who came out and helped TRY celebrate 50 plus plus years. Robin the balloon person did a great job making everyone happy, and Big Ed the D.J had the whole ship rocking. Pittsburgh is really a beautiful city.
